

REMARKS

Thank for Examiner's suggestion about my invention, I have amended the specification, claims, drawings and abstracts. All the errors disclosed in that office action has been corrected according to the Examiner's indications as disclosed above.

All the amendment in this amendment is based on Examiner's Suggestion in the Office Action so that the specification of the present invention can match the rule of U. S. Patent.

Applicant requests and authorize Examiner to amend the specification, claims and drawings based on the skilled professional knowledge of the Examiner and thanks the Examiner to take attention to my work.

It is now believed that the subject Patent Application has been placed in condition for allowance as the office action said, and such action is respectively requested.

Respectfully submitted.
